

Established in 1989, Tony's Wholesale Flowers is a major grower, importer and wholesaler of fresh flowers to South Australia's florists and flower retailers.

Our services:

Tony's Nursery | Adelaide Hills

A variety of flowers are grown at our Lenswood (South Australia) nursery, specialising in:

- ~ Lilies
- ~ Hyacinths
- ~ Tulips
- ~ Peonies
- ~ Seasonal Lines
- ~ Foliage

Distribution Facilities | Adelaide

Flower orders are prepared at our distribution centre at Mile End in a controlled room environment.

Wholesale Flowers

We stock an exclusive range of flowers working with our growers selecting improved varieties grown locally and internationally.

Wedding Specialist

Servicing florists' with unique flowers for weddings and events.

Importer

We have AQIS approved facilities; our fresh flowers arrive from overseas markets straight to our distribution centre for just in time requirements.

Production

Producers of quality bouquets and arrangements supplied daily to the retail industry.

R&D

Research and development testing facility. Working with Chrysal Europe and ECAS4 utilising International protocol for developing innovative technologies for the continuous improvement to extend flowers' vase life.

South Australian industry initiative:

Flower My Day

Promoting and advertising flowers to consumers. Encouraging self-reward and the pleasure of living with flowers in our daily lives. www.flowermyday.com.au

Product development:

EzyBouquet

EzyBouquet is the world's first 'Ezy-System' bouquet guide that allows floral bouquets to be replicated consistently to precision, increasing productivity with skilled or unskilled labour. It is also a fantastic learning tool for new and experienced florists. www.ezybouquet.com.au
